## Additional Information

### Stakeholderz:

Stakeholderz is a unique equity funding platform that introduces high quality, early stage investment opportunities to Investing Directors and further experienced investors and executives. As the Stakeholderz name suggests, this programme is about managing a stream of high quality ventures, senior executive talent, an investor base and the combination of all three to drive interest in investment opportunities and fundraising.

The Stakeholderz Venture Committee oversees the selection of suitable ventures for the platform, and promotes them to Investing Directors. Unlike other platforms, Stakeholderz champions lead Investing Directors who are chosen by ventures to take on key executive roles and accelerate fundraising.

Stakeholderz Ltd is an Introducer Appointed representative of Envestors Ltd, which is authorised and regulated by the Financial Conduct Authority (FCA) in the UK. Firm Reference Number (FRN) 523592.

### Active World Club:

AWC was formed to serve as a peer-to-peer platform for the facilitation of Defi and NFT projects. The Club is to "invited members only" creating exclusivity by design. Within The Club there are opportunities for like-minded members to exchange investment thoughts, ideas, and strategies. Members are encouraged to share the discovery of rising artists, burgeoning inventors, small businesses, turn around financial opportunities, relaunches, M&A opportunities and create ways to right social or civil injustices, identify and fund worthy causes and all in one place. All this with the goal of pursuing the "crypto-lifestyle" of exotic cars, boats, planes, and travel. Our mission is to create a platform to decentralize, democratize and demystify finance opportunities through the use of cryptocurrencies.
